

The Coroners' Courts  
Support Service

## FACTSHEET:

### REMEMBERING CCSS IN YOUR WILL

**Have you ever considered including a donation to The Coroners' Courts Support Service in your Will?  
Such a gift really can make a lasting difference.**

The Coroners' Court Support Service is a registered charity. Our trained volunteers give emotional and practical support to bereaved families, witnesses and others attending an Inquest. From our start in 2003 with just two volunteers we continue to extend the service to Coroner's Courts throughout England and Wales and we need help to do this.

Please think about including the CCSS in your Will. Every gift counts, no matter how small, and will make a real impact. You could help us work towards a future where everyone attending an Inquest has access to support.

#### *Why make a Will?*

Making a Will is the sure way to take full control in protecting the interests of your loved ones. A properly drawn up Will ensures your money reaches those you really want to benefit. Sadly, many people make false assumptions about what will happen to their assets if they do not make a Will. Not leaving a Will could result in your family facing lengthy and expensive complications.

Now is the time to make a Will if you haven't already done so. It is the only way to provide for the people and causes closest to your heart with certainty. If you already have a Will, review it regularly, particularly if your personal circumstances change.

#### *The next step?*

We can help with further information about planning, adding to or changing a Will and the types of legacy gift you might consider. You can download some factsheets from our website [www.coronerscourtsupportservice.org.uk](http://www.coronerscourtsupportservice.org.uk) or contact:
